

Christmas Gift-A-Card Program

Our Christmas Gift-A-Card Program serves our Wounded Warriors/Families in WA state.

Help us give Christmas Gift Pouches each containing \$100 worth of designated gift cards from our list or cash \$\$.

Our gift card program is a fun and strategic way to say **Thank You** for ALL they do to keep us free at a big sacrifice, and still focus on given needs at this special time of year.

Gift cards empower the Warrior to purchase food for Christmas dinner, family needs or gas card for medical appointments.

PLEASE HELP SPREAD THE WORD to businesses, churches, groups, and other individuals to help us serve these families with this gift.

GIFT cards in \$25, \$50, \$75, \$100 or more are greatly needed!
